Not ready to train for competition yet??? Look no further!

If you are new to swimming, Blue's **Swim Academy** is your splash into this exciting sport. Swim Academy is not your traditional lessons program. Our classes are designed to teach your young athlete the fine motor skills necessary to be comfortable and confident in their abilities. With small class sizes, your child will get immediate feedback on how they are developing in the water. Since proper skills take time to develop, we will not rush your child, but instead take the time necessary for them to understand and master these tasks. Space is LIMITED, Register Today! Fees are as follows:

- **BLUE Annual (September 2017 thru August 2018) Admin Fee \$15/swimmer**
- **NASD Resident: \$30/month**
- **INCLUDES FREE SILICONE SWIM ACADEMY SWIM CAP**
